Please contact BMC Scheme Administrators on **+44 (0)161 445 6111**. Non-payment of premiums

How Your insurance works

Your Evidence of Cover and Schedule is a contract between You and Us. We will pay for any claim You make which is covered by this insurance and happens during the period of insurance. Unless specifically mentioned, the benefits and exclusions within each section apply to each Insured Person. Your insurance does not cover all possible events and expenses.

Certain words have a special meaning as shown under the heading 'Definition of Words'. These words start with a capital letter throughout the Evidence of Cover.

Other parties

A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

Sanctions

We shall not provide any benefit under this contract of insurance to the extent of providing cover, payment of any claim or the provision of any benefit where doing so would breach any sanction, prohibition or restriction imposed by law or regulation.

Fraud prevention

To keep premiums low We do participate in a number of industry initiatives to prevent and detect fraud. To help prevent crime We may:

- Share information about You with other organisations and public bodies including the police;
- Share information about You with other insurers;
- Pass Your details to recognised centralised insurance industry applications and claims review systems (for example the Travel Claims Database) where Your details may be checked and updated.
- Check Your details with fraud prevention agencies and databases. If You give Us false or inaccurate information and We suspect fraud, We may record this with fraud prevention agencies;
- Search records held by fraud prevention and credit agencies to:
 - Help make decisions about credit services for You and members of Your household;
 - Help make decisions on insurance policies and claims for You and members of Your household;
 - Trace debtors, recover debt, prevent fraud and to manage Your insurance policies;
 - Check Your identity to prevent money laundering;
 - Undertake credit searches and additional fraud searches.

Fraudulent claims

If You, or anyone acting on Your behalf, make a claim knowing it to be false or fraudulent in amount or in any other respect this insurance will become invalid. This means We will not pay the false or fraudulent claim, or any subsequent claim.

Extension of cover

In the event of circumstances beyond Your control You are unable to complete the Trip before the expiry of this insurance, the cover will be automatically extended without additional premium for the additional days necessary for You to complete the Trip up to a maximum of 60 days.

Period of insurance

Single Trip:

Cancellation cover is effective from the issue date shown on the Schedule and terminates on commencement of the planned Trip.

Annual Multi-trip:

Cancellation cover is effective immediately when a Trip is booked or from the start date shown on the Schedule (whichever is the latest), and terminates on the commencement of each Trip, or on the expiry of the insurance (whichever is the earlier).

All:

All other covers commence when You leave Your Home or place of business (whichever is the later), to commence the Trip until the time of return to Your Home or place of business (whichever is earlier) on completion of the Trip. Cover will not commence more than 24 hours prior to booked departure time or cease more than 24 hours after booked return Home.

Insurance excess

Under some sections of the insurance an Event Excess will apply. This means that You will be responsible for paying the first part of the claim for each single event or occurrence. The amount You have to pay is the excess.

If Your health changes

If Your health changes after the time of taking out Your insurance, or at the time of making arrangements to travel in the case of an Annual Multi-trip insurance, and before the commencement date of Your Trip.

You must tell Us by calling the Medical Screening Line on **02392 419 012** so that We can tell You if the change in health will affect Your insurance and if cover can continue for further Trips You may wish to book. If You are not sure whether something is relevant You must tell Us anyway.

Expiry of Your insurance

If You have Annual Multi-trip cover, You will be contacted in writing at least 21 days prior to the expiry of the period of insurance, as shown on Your Schedule.

Other insurance

Sometimes what is covered under one insurance may also be covered under another insurance for example the cover or maybe some of the cover is insured under this insurance could also be insured under another insurance.

If it is covered under two or more insurances We will pay the full claim and claim half of this back from Your other insurance.

If We do have to claim half back from Your other insurers We will do this in Your name this is called subrogation which means We substitute You including all Your rights and responsibilities.

Reciprocal Health Arrangements

EU, EEA or Switzerland

If You are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland You can use a valid European Health Insurance Card (EHIC). This will entitle You to benefits from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland and the United Kingdom. Your EHIC will be honoured for the remainder of its validity.

From 04th January 2021, if You do not have a valid EHIC You will need to apply for a Global Health Insurance Card (GHIC) and can apply by a postal application from Your local Post Office or online through www.dh.gov.uk/travellers or by telephoning 0845 606 2030. Please note that the GHIC will no longer provide reciprocal health care arrangements in Iceland, Liechtenstein, Norway and Switzerland.

If We agree to pay for a medical expense which has been reduced because You have used either an EHIC, GHIC or private health insurance, We will not apply the deduction of the Event Excess under Section 2 - Emergency Medical & Other Expenses.

Medicare - Australia

If You are travelling to Australia You can enrol in Medicare which will entitle You to subsidised hospital treatments and medicines. You can do this by contacting a local Medicare office in Australia. All claims for refunds under the Medicare scheme must be made before You leave Australia.

In Case of Serious Emergency

First call an ambulance or local rescue service using the local equivalent of a 999 call (112). While You wait for help to arrive, contact Our Emergency Medical Assistance service which is open 24 hours a day and 7 days a week, to offer You advice in this emergency situation.

We strongly suggest You put Our assistance number **+44 (0)20 7902 7405** into Your mobile phone before You travel so that it is to hand should You need it.

Speak to the ambulance driver or rescue service and get details of the hospital You are being taken to so that Our Emergency Medical Assistance doctor will be able to obtain a medical report at the earliest possible opportunity.

You must notify Us as soon as possible if You are to be admitted as an in-patient, or where costs are likely to exceed **£500**, for agreement of costs under this insurance.

What the Medical Assistance Company Needs from You

When You call Our 24 hour Emergency Medical Assistance service in an emergency tell them that You are insured under the British Mountaineering Council (BMC) scheme through Antares at Lloyd's.

You need to have some basic information for them to hand:

- Your Schedule number, the date You bought the insurance, and Your booked travel dates;
- Your telephone number;
- the name/age of the patient and as much information about the medical situation as possible;
- the name of the hospital, the ward, the treating doctor and the contact numbers.

It would also be helpful to have as soon as possible the patient's Home Area GP details, name, address and phone number, in case they need to obtain information on current Medical Conditions and treatment.

Do not delay calling if You only have some of the above information – call as soon as possible.

Minor Illness or Injury

If You need to see or visit a doctor or hospital in Europe or Scandinavia then ask Your hotel reception or Your tour operator representative for the address of the nearest public medical facility. In Europe You should show them Your EHC or GHIC card, medical treatment will be free or at a reduced cost and You will not be required to contribute towards the claim as the insurance excess will be reduced to NIL. You will only be covered for the cost of private medical treatment where adequate state facilities are not available in these countries. You must have this approved in advance, please call Us on **+44 (0)20 7902 7405**. Elsewhere it is advisable to seek advice on where to go for treatment from Our 24 Hour Emergency Medical Assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin Your Trip by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for Us to move You to a more suitable facility.

Please note that the GHIC which replaces the EHC from 04th January 2021 does not cover treatment in Iceland, Liechtenstein, Norway and Switzerland.

How to Pay for Your Treatment

Outpatient bills for less than **£500** should be paid at the time and claimed on Your return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If You cannot afford to do so, You may contact Us for advice and assistance. If You are admitted to a medical facility then You may need to pay the insurance excess locally and ask the hospital or doctor to send the rest of their bills to Us. Our 24 Hour Emergency Medical Assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of Your claim has been established. In European Countries, including Norway and Switzerland You should utilise Your EHC card for in-patient and/or out-patient treatment to obtain a reduction in medical costs where possible, and if costs are minimised the insurance excess will be reduced to NIL. If You do not have a valid EHC You can register for a GHIC as a replacement but it will not cover treatment in Iceland, Liechtenstein, Norway and Switzerland.

What Happens if I Miss my Booked Flight Due to Illness?

Don't worry, provided You have contacted Our 24 Hour Emergency Medical Assistance service Your insurance will be automatically extended to cover You until it is agreed that You are fit to travel Home. We will liaise with Your treating doctor and You and once You are fit to travel, they will make appropriate alternative arrangements.

Returning Home Early

This insurance covers You to come Home early because You are ill or injured only if medical treatment is not available locally. If You are thinking of cutting short Your Trip because You are not well then You must contact Us on **+44 (0)20 7902 7405** for advice first before making any arrangements. If You need to come Home for any other reason, such as the illness of a Close Relative in Your Home Area then You should make Your own arrangements, bearing in mind Your duty to act at all times as if uninsured.

If You are not sure whether Your particular circumstances are included in the cover then please contact Our Claims Department quoting BMC and Your Schedule number for advice:

Email: claims@ias-health.com

Telephone: **+44 (0)1623 645308**
